Hello, dance families!

As you may have heard, Hershey School of Dance has decided to begin our dance year over a Zoom format. This was a difficult decision, but one that we ultimately feel is the safest for our staff and students.

This will obviously have an impact on our Movement Magic classes. We are committed to providing the very best dance and learning experience for all of our students. The high-energy, engaging, interactive nature of our typical Movement Magic class would be very hard to replicate for the 3- and 4-year-olds over zoom. Therefore, we feel the need to restructure the class. Your registration for our originally scheduled Movement Magic class does not obligate you to take part in our revised format, but we hope that you will read through our new plan and consider whether it is right for your family!

Our revised-for-zoom creative movement class will be called Movement Magic Together. It will be a parent-child class, meeting for 45 minutes a week over a 6-week session. All participants will receive a special tote bag containing the fun and hands-on props that we would have used in the studio, so that you have everything you need for every session right at your fingertips. Miss Jenn will lead you and your child in easy-to-follow exercises, stretches, games and activities that are designed to increase body awareness, musicality, and flexibility...and just have fun moving and dancing together! At the end of the Movement Magic Together session, you can keep your bag of supplies so your child can keep the fun and dancing going at home.

Please see the attached registration form for revised dates and pricing for Movement Magic Together. If you have any other questions about this class, please do not hesitate to contact our office at (717)534-3408.
