

PO Box 552, Hershey, PA 17033

Dear Dance Families,

I hope this letter finds you well and that you are all healthy and safe. ⁽⁷¹⁷⁾⁵³⁴⁻³⁴⁰⁸ The staff and I have missed you all and cannot wait to get back into the studio and dance with you. I want to give you an update on our plans for our 2020-2021 dance season and some improvements to our studios.

Since Covid-19 has hit and taken us away from the studio, we have made some updates. We have added anti-bacterial soap to the restrooms and hand sanitizer stations through out our building. We also have a new water bottle refilling station! We have changed our cleaners to the recommended disinfectants to help keep us all safe. The studio has had a deep clean and the cleaners will resume our nightly cleaning once we are back at the studio.

We are prepared to follow all guidelines that are set at this time and will do our best to make your dance experience comfortable. At this point our plan is mandatory masks for dancers and instructors, limited class sizes, dancers only in the building with a drop off and pick up plan in place, limited bathroom use, and mats or beach towels will be required for stretching. All registered dancers will receive our updated dance studio guidelines with their class schedule in August. As always, the safety, health and well being of our dancers, staff and families is the most important thing to us.

We look forward to dancing at the studio with you this fall. Registration deadline is still August 1st and please note the credit card option. If you decide to use a credit card for registration, feel free to email the form back to us. Otherwise you can mail your registration form or drop off at the studio through the front doors.

Sincerely,

Tammy Sibert

Executive Director, Hershey School of Dance
