

March 9, 2020

Dear HSD Families,

We are writing today to make you aware of the precautions we are taking to help prevent the spread of germs during this virus season.

~ If you are not feeling well, please stay home. It is best for you, the staff and our HSD family.

~ All instructors have been asked to stay home if they are not feeling well. The instructors have also been asked to refrain from any hand contact in class. Meaning no hand holding, high fives, hugs, etc.

~ All surfaces and doorknobs are regularly sanitized throughout the day and Clorox wipes are available in the studios to sanitize between classes. Please ask an instructor between classes if you need a Clorox wipe for a surface you may have used in the lobby.

~ The studio is professional cleaned 5 times a week.

~ Hand sanitizer is available in all studios for instructors and students use.

We hope this information provides some insight into the efforts we are taking to protect our students, staff and dance families. Please feel free to contact the office with any questions.

Sincerely,

Tammy Sibert and the HSD staff
