Dear Dance Families,

Thank you for registering for our 2020~2021 dance year. We appreciate your dedication to HSD and look forward to dancing with you! These past few months have been challenging for our HSD family. The staff and I have always enjoyed sharing your energy and excitement of class and we have missed that so much. We miss seeing your smiling faces, your determination, and improvements in class. I think most of all, we miss creating with you.

During these ever-changing times, we have decided to start our program in a virtual format. While this was a very difficult decision, our priority always remains the safety and well-being of our dance teachers, students, and families at HSD. With the new information that is being given to us about sports and gatherings we want to make sure we do our part in keeping our community safe. We would like the opportunity to keep you dancing via zoom classes. We have made the schedule and plan to have zoom classes from September ~ December and then reevaluate the situation with the hope of opening the studio in January for in person classes, keeping the schedule in place. We will only open if we feel the time is right for everyone's safety.

Our staff is working hard and will be ready to welcome you back with zoom classes full of creativity! We are doing our best to keep up with these changes and are ready for the next challenge to keep everyone dancing. Please feel free to contact me with any questions or concerns.

Sincerely,

Tammy Sibert and the HSD Board of Directors.
